

LEVEL 3 DIPLOMA IN NAIL TECHNOLOGY

IMPORTANT INFORMATION

As all our courses are level 3 diplomas, we want to make you aware of what is expected from you when learning at this level. Undertaking our beauty and nail courses will entail both practical and theory learning, this will be delivered to you in the classroom with your experienced skills tutor. There is an element of learning that is expected from you; this will be to practice at home what you have learnt in class each week along with completing your written assignments. As our courses are set at a level 3 standard, we expect our learners to be able to work towards and achieve high quality skills.
